ABRAHAM LINCOLN. and, as the Courier says, "defenceless." And masting. They will be able to de berate, to defensive, it will thus be seen, is conditional, decide, to recommend, to act, in the broad, and, in his discretion, may or may not be unproclaimed that the will, within the briefest deed a sad and melaneholy thought, but the lear light of a thousand great facts which do at now exist, or of which the nation is at all its length and hreadth, is held subject to

If then be the condition of the country and deem in and practicable within the bounds of the country and the laws, to redress by the Constitution and the laws, to redress by the constitution are the transportation could be possible.

Where then are arms to be had to relieve the constitution and the laws, to redress by five the injury of past assaults. This is the purpose be officially proclaims. We would have them regard themselves as fally authorized to go to Washington or to Montgomery or wherever else they please, if denderable in policy and ruinous in tension or to the propess of such but it certainly does not involve the subthey can see a bright or even a faint hope of such, but it certainly does not involve the subreby to do anything toward ar- jugation of the South. The assertion or aug-

> ntelligent people should do themselves and the time that none will dream of undertaking it unity the justice to recognize in the way of preparation for the terrible ex

put upon these declarations by the conservatives of the North We yesterday published tion is that under such circumstances should be fivetimes as well armed as herself; and the latest tion is the such circumstances should be fivetimes as well armed as herself; inst. by the Virginia Commissioners rethe speech of Senator Douglas on Tuesday at her policy. In our opinion, it should be, the field and the danger will be right here. And Set his. By the Virginia Commissioners re-pecting his policy towards the ecceding States, Columbus, and a short passage from the speech under the present inauspicious circumstances, of the Hun. Deniel S. Dickinson at the great meeting in New York last Saturday night. exactly what it ranges to be policy abundant within her limits,—the policy Dix at the same meeting, and the speech of war which she has carnestly deprecated and they find, as danger beco had no agency in hringing about—the policy days before. Let these speeches be carefully means of arming it. She should not, unarnied riends of the South understand the purpose of the President to be. They point out why the or armed, go into a war got up and prostented in bold and reckless defiance of her wishes and and Kentucky, remaining firmly together, give dent in his parpose. They confirm beyond dispute the judgment that the Government does not be supported in their neutrality costs, a war which she abhore, and a war, the not contemplate the subjugation of the South. States or of the Confederate States, must which, whether it result in favor of the United out any special assurance to the contrary harsends of Southern rights as Dix and resemented out resembled out mend e careful Fillmore and Hunt and Cochrane and armed; but, unerused as they are and must and hundreds of thousands of others as faith-would be down ight insanity. the dent in any attempt or seeming attempt to sultragate the South. The thought does violence to the fitness of things. It is on insult to the

no man's lears, we would not have our fellowrds "property and places belonging musent" chie v allude to the mili- ad property which were in the praces tible inference alone on this head. These distible inference alone on this head. These disweapon within all their lord now at the true, in pursuit of 1 or themselves. They have declared why they stand by the President in his present purpose, It ad the speech of Dix and the speech of l'illmore, and learn the reason. We do not to declare, or rather to take up, an immediate to the best of my o y, repel force by deem it wholly inconclusive. We think they ail err grievously with the l'resident; but this s d r whether they are in a condition to enter does not diminish the force of their testimony to the fact that the purpose of the l'resident i not to overrun and subjugete the South. And mony is or sho ld be decisi e. Lastly, fellow-citizens, and in addition t all this, is it credible, does it fall within the narrow stream that divides us and them, we and his Cabinet, a body of intelligent and any just imputation of cowardice, sit down ead of a free government torn with internel have the moral onv levely if we will, but we had bert r

bounds of rational cred lity, that the President nat of wielding one half of the nation to armed men will be poured in upon us clong o be believed? Does it fall very much short of a downright absurdity? Taken together towns and villages and farmhouses and he with the other points we have considered, is it will be one broad scene of blood and rum and

of fire and brimstone had fallen upon it from Heaven. What would be more ca v for the ent does not contemplate the subjugation of men on the Indiana shore, if we choose the South. Tous is not its purpose. The make them our commies, than to destroy Louis. 1streed James Gathrie. And now we have charge to the contrary is a false and mischiev- ville, unarmed Louisville, in three hours, with as one, which but serves to linrry events to- a battery throwing shell and hot shee? And wards a pass or which they may break through do we not all know, that, in such a war bo Il purposes except the infinite purposes of tween neighbors as this would be reciprocal od. The direct and inevitable tendency of injuries and outrages, magnified and distorte the charge is to hasten on a pure war of sec- by Rumor's myrad congues, would very soon ms, precipitating the solid North upon the provoke both parties to do their wors outh and the solid South upon the North in pray with what amount of complacincy would protracted internecine struggle, spreading those of our merchants, wh sion and desolation from one side of ion for the sake of Southern trade, regard to ther, and whelming the continent in the best should be reduced to ushes or made the head loud of the frees people of all sime. And quarters of a hostile and ferocious enemy? Silly and binstering people may try to con of the State of Tennessee with vince themselves that it would be unworthy his empty but fearful charge with a peal that falls upon our saddened hearts almost like the whatever of peril to their persons or their propsmell of American liberty. Oh, it is strange, erty, hut, if our men care nothing for themselves, should they not, as bnman beings, care isters, and daughters? Is the feet that the

mbition nor debased by fear, could be pre- pens to themselves any reason why they show sailed upon by any cause to commit an act of madly bring down utter misery and wretched-

ndons and saicidal folly. Surely ness upon the helpless beings confided to their

specty and i terest may seem to demand. The Courier charges that the Journal personal chivalry, can't be manage to make safety and i terest may seem to demand, as given aid and council to our Northern the exhibition without trying to involve a whole and council the limited States and look states are marginal and depressing. We have not miserable consequences? in d and defenceless. We have not iniserable consequence

The Kentuckians will fight, in a good sad that he people of Kentucky are wholly day of April, in he year of our let a sa d that he people of Kentucky are wainly thomasid eight handred and sixty one. unarmed and defenceless, but most certainly against all necessary odds, but we hope that the independence of the United they are comparatively so, and assuredly, when they are not prepared to rush like lunaties into Contederacy and of course into war with the before them, and when the path of duty is the Four day's later, in view of the declared in-

become known on the other side of the river. by the I resonant of the I nited States of A erica. We would not have the people of Kentucky that powder and provisions, consigned to persons at Memohia and Little Book had been as the people of Kentucky We would not have the people of Kentucky sous at Memphis and Little Rock, had been kept in a norance of their situation lest other stopped at Cincinnati, a large crowd in this city rushed with loaded cannon Ioward th river bank, without waiting for either explanaas been constantly doing what it thinks so untion or confirmation of facts, and were with patriotic in is. It has all the time, for some great difficulty prevented from firing upon a Cincinnati or l'ittsburg boat said to be coming day, past, dwell in d leftl tones upon Kenthe banks should adopt the very extraordinary time, a false rumor having been set afloat it regard to the overhauling of a heat at Evans ille, large numbers of people in Henderson and thensboro became furiously excited and drealing made ull their arrangements to sack or burn transville, and would have attempted to do so but for a timely contradiction of the rumor but for a timely contradiction of the rumor.

And now a heavy battery is planted at Mempreity strong suspicion, that, if such extrao phis to bring to passing boats, and the las intelligence is, that, on ucrount no doubt of articles at Cincinnati, four boats, bound in

> the river from New tirleans, are to be seized by the Memphis people. When we consider the immense exciteme the information of the North and the South, of the populace at M mphis and Cincinnati and Madison and Vicksburg and Natchez an New Orleans, and all the other important

we may well set about inquiring how, in the whether bound up or down, should not be alwe may wen see about inquiring and suspinor lowed to pass Louisville without molestation present state of sectional jealousies and suspinor lowed to pass Louisville without molestation m. Elect the Crittenden and Guthrie Such is the full purpose of the President as cions, the work of arming her is to be account uor is there any reason why Louisville boats k an let the men who compose it go to ennounced by himself under the seal of his plished. We may well enquire where we are should not pass uninterraptedly everywhere bel rankfort at the appointed time, prepared to great effice. What is it? It is to "repel force to procure the arms even if a half million or a tween Pittsburg and New Orleans, for Kenest delegates from the rest of the Border by force," to blockade the ports of the seced-whole million be raised to pay for them. Day tucky is on terms of page and annity with all re States. If they do not find delegates in States in view of the granting by those before vesterday we heard a very handsome the nine other States bordering upon the rivnere from all the rest of the Border States, States of letters of marque and reprisal against premium effered for every Sharpe's rifle that ere; but still the rash impulsiver let them take counsel with such as they do the commerce of the Union, and to hold I imself should be furnished here, and the gentleman, by the crowd here upon the occasion we have Three Kentucky Farms for Sale find. It they find none at all, let them take "at liberty" to retake the captured first to whom the offer was made, determined to go referred to and the strong suspicions evidently counsed with each other. They will have bere them the doing of our Legulature which means certain that he will actually ats to assemble on the first last, whilst he declares expressions of the confederate of the benefit of a full knowledge of by that he will "not attempt to collect for, since the reising of troops to fight against interests of the Confederate States, warn as the duties and imports by any armed inmust inevitably oc. r all over the country between the present tune and the period of their branch of the President's purpose that is not

started South vesterday from this city on the to harrow. As citizens of Kentocky, ci izens of a State that we are confident will have done nothing to incur the hostility or to forfeit the south, but to defend the authority of lion of dollars to his Excellency un of the South and of the Border States, instead

the lamentable truth, that Kentucky, if not as Yes, if Kentucky secodes, as all of the di paratively unarmed, and likely to remain so the three adjacent non-slaveholding States, and tor at least a considerable time, and the ques- faces an enemy of tive times her numbers, and of a neutrality as well armed as she has the less sharp-set than they thought it vas?

Seram Everus Suna. We learn from the Jeffersonville Democrat that during the high wind, on Taceday, the Charley Miller attempted to tow a large engine for the Louisville and Nash-ville Radicead ever the river on a flat leabaging to the railroad company, and when about the middle of the river, the dar-hoat bruke in two means the center, sinking the engine. Our ferry-mom and others advised against attempting the trip during the rough stata of the railroad company and when about the way of me avail. The engine can be raised when the first of the designate and processed for the patriotic sendeavors the river falls.

The Mounted Home Guard have elected to the reservation of the great interests considered to add our confident belief that the settlem of the designation the counter, and to add our confident belief that the reservation of the great interests consided to the patriotic sendeavors which capt. Sherley has made and is now making the regression of the great interests consided to the patriotic sendeavors which capt. Sherley has made and is now making the expension of the great interests consided to the patriotic sendeavors which capt. Sherley has made and is now making the responsible for the river falls.

To the Editors of the Union, Manuelland to the Union, I river falls and the April Sherley Companies. The fall of the Union of the great interests consided to the patriotic sendeavors which capt. Sherley has made and is now making the responsible for the integrity building it responsible for the Union. Thus far we are not missionists. I hope Mr. Rouse and incinned the construction of the great interests consided to it. I here is no choice Isl latt to acquise in the patriotic sendeavors which capt. Sherley has made and is now making the construction of the great interests consided to it. I here is no choice Isl latt to acquise in the made in the construction which constitution has been all a share in that force, the when Mr. R. Legan to speak, yet he ke the time shall be prop
